Although your clients are offering to prepay often the money is not received within the 48 hours prior to the booking time frame. This now needs to be the case so please be aware Young & Jacksons will go by the below policy and release bookings if payment isn't made in the correct time frame:

All inbound clients will agree to the “ALH Hotels Cancellation Policy” and confirm and pay for final booking numbers forty-eight (48) hours prior to the date booked. In the event of any decrease in numbers (wash) or if the booking cancels within 48 hours or no-shows, Young & Jacksons has the discretion to charge the full cost (100%) of each cancelled or no-show guest. **If payment is not made forty-eight (48) hours out and is overdue, Young & Jacksons, at their discretion, can release the entire booking. Payment not being received in time will be considered a breach of contract and grounds for immediate termination of the entire agreement.**
