### UNIQUE SELLING POINTS :

A) Coolangatta Estate Jervis Bay B) Globally Australia is famous for wineries in valleys,

Hunter, Yarra and Barossa, its rare to have seaside wineries (Margaret River in WA) and JERVIS BAY I believe offers a seaside Winery experience.

C)How I promote oversea? the difference is my wineries have the flavour of the seaside, wine grown by the seaside or seaside climate. (not grown in valleys)

D) Coolangatta Winery has won over 2000 wine awards

E) Family winery for over 150 years- 3 generations (4 th is on the way)

F) Semillon Wine has won NO1 IN AUSTRALIA 10 YEARS IN A ROW!!

G) the building of the winery is historic. Coolangatta is a historic village second only to THE ROCKS in Sydney. Literally, convicts sailed from The Rocks Sydney looking for rich farmland, found the Shoalhaven River and decided to settle and make the village known as Coolangatta. Note the Gold Coast Coolangatta was named after a timber loaded ship from Jervis Bays Coolangatta that ran aground in a storm on the Gold Coast and hence the naming of Coolangatta on the Gold Coast.

H) large dining venue of charm and character that could be themed

I) large historic gardens and opportunity to walk and explore
