Welcome to **JERVIS BAY**

New – GROUP GUIDED KAYAKING – Huskisson JERVIS BAY

Features:

a) crystal clear water, mangroves and white sand beach picnic.
b) a chance to look for giant stingrays and other marine life.
c) The Kayaking departs and returns from the Dolphin Watch Wharf, and we paddle in the safe and shallow Currambene River, as part of the JERVIS BAY MARINE NATIONAL PARK.
d) This is an enclosed shallow water experience for all levels of experience.
e) STG GOALS, Guided Kayaking promotes tourism engagement into the importance of Marine Eco sustainability, the mangroves and their connection to juvenile fish breeding and the entire food circle.
